

Organisation

CBM is a brand of Ausnutria Dairy Ingredients B.V., a subsidiary of Ausnutria. Actively building a global footprint, Ausnutria is a fast-growing company with over 100 years of experience in the dairy industry. The head office, based in Zwolle has a key coordinating role between the five production facilities in the Northern Netherlands, all of which produce infant food, butter, cream and powdered milk and milk ingredients. With a firm belief in the natural benefits of goat milk, the company specialises in manufacturing products based on goat milk for both the consumer and B2B markets.

Goat Power Protein Sports Nutrition

Skimmed Goat Protein Powder is a unique superior quality protein powder made from the highest quality goat milk. Via a patented process a casein rich stream is dried. The proteins remain in a more native state resulting in a unique goat protein powder that is high in casein protein and low in salt. Therefore, excellent as sports nutrition.

Benefits:

Derived from 100% Dutch goat milk, high in casein, low in salt, unique fresh taste.

Excellent source of protein. Tasty and easy to drink alternative for whey protein powders.

Slowly released and digested, providing proteins and amino acids to the body for a more extended time. The ideal protein shake before bed time.

Great for recovery after a work out. Provides muscles with much needed proteins.

Goat Power Protein Sports Nutrition

Recommended use

Mix 1 scoop of powder (35 grams) with 250ml of water.
Shake well. Approximately 3 servings per 100gr.

Storage instructions

After opening close tightly. Store in a cool and dark place. For batch code/best before end: see packaging.

Ingredients

Goat protein concentrate, vanilline, xanthan gom, sweetener (sucralose).
